April 2, 2014

Bruce Adams, Chairman  
San Juan County Commission  
P. O. Box 9  
Monticello, Utah 84535

Dear Commissioner Adams,

On behalf of SPEAR I am pleased to announce that we were recently awarded a \$5,800 GRANT (Guaranteeing Responsible Access to our Nation's Trails) from Yamaha Motor Corporation, U.S.A., as part of its OHV Access Initiative ([www.yamaha-motor.com/ohvaccess](http://www.yamaha-motor.com/ohvaccess)).

The Yamaha OHV Access Initiative is a proactive, grassroots program supported by Yamaha motorsports dealers and customers nationwide promoting safe, responsible riding and sustainable, open riding areas.

Our Yamaha GRANT will fund ATV trail improvements that will prove beneficial to local ATV riders as well as the increasing number of visitors who enjoy the outstanding motorized recreation opportunities in San Juan County. It also connects our organization with other Yamaha GRANT recipients including off-highway vehicle (OHV) riding groups, state and national land managers and local government agencies across the county.

This GRANT allows us to purchase a trailer and tools that will enhance our trail maintenance efforts as well as signage materials to improve trail marking and signing. We are proud of our efforts to keep local land accessible and safe for off-road enthusiasts, and wanted to make you aware of this important achievement here in San Juan County.

Sincere regards,

John Fellmeth, President  
San Juan Public Entry and Access Rights
